

## CADAQUÉS, CUINA MEDITERRÀNIA

*Influenced by the Tramontane winds, Cadaqués offers a culinary immersion in the thousand-year-old cuisine of the Mediterranean in one of the most dynamic spots in the city.*

### OUR CUISINE

At Cadaqués, we've developed a new culinary concept based on the world of rice dishes and Mediterranean culture. Sea, mountains and gardens blend together in a new space that is committed to traditional recipes, local produce and a ground-breaking format. Rice cooked with the power and aroma of our selected woods, fish and seafood fresh from the docks, great dishes that are the legacy passed down from fishing cultures.
